

Introduction

COGS 108: Data Science in Practice

Section: Week 1

Today's Plan

- Introduce ourselves
- Set up Python, Jupyter, Datahub

About me

- Akshansh Chahal - a3chahal@ucsd.edu (OH: Mon 10-11a, CSB 114)
- 2nd year Master's student in Computer Science
- Academic Interests - ML, Data Science
- Non-academic - Badminton, RacquetBall, Surfing

About you guys

Python, Jupyter

- Go to www.anaconda.com
- Click on “Download”
- Download Python 3.7 version
- Go through the installation setup

Datahub

- Go to datahub.ucsd.edu
- Login with your ucsd credentials

Jupyter Notebook Demo
